

Set of cutting boards CB3702SP

# bon appétit

The three-board set of various colors is must-have in your kitchen. You'll never mistake what each board is intended for. The unique labels "Fish", "Meat", "Vegetables" will help you easily choose the perfect board. Thanks to a removable leg pieces on the stand, the board can be stored in either vertical or horizontal position. The boards are made from plastic with an antibacterial coating, which prevents the spreading of various microorganisms such as bacteria and fungus. Our plastic boards are practical and hygienic - very easy to clean and do not absorb any odors.
