HB4040

bon appétit

FULL
PALETTE
OF FLAVORS

Hand blender HB4040 with a multifunctional glass cup, different blades, graters, shredder-disks will save precious time on cooking. With the help of puree attachment, it is easy to prepare puree or pate, with the whisk to whip egg whites, cream, dough for pancakes or milk shakes, with the help of shredder-disks to cut cheese, sausages or vegetables. Grater will help to prepare salad or grate vegetables for soup, and blade-disk to grind meat or fish into mince, grind onion, garlic, nuts, cereals, coffee, spices and even sugar powder. Glass cup is made of high quality glass, which won't scratch from solid products or ice pieces. You can fill it with hot ingredients and liquids.
