HB4010

bon appétit

FULL
PALETTE
OF FLAVORS

A light, ergonomic kitchen helper – hand blender HB4010 with 13 speed levels is suitable for preparing different puree for baby food, puree-soups for whole family. Whisk attachment will help fast to whip egg whites, cream and milk shakes. With the help of 13 speed levels, you can easily select an optimal speed level, and turbo mode will raise the speed level to maximum for a short period. Product set includes a 2,5 liter container-box, which is also a convenient and compact storage for blender.
