FULL PALETTE OF FLAVORS

Compact and mobile mini-oven OURSSON MO2305 with 23 liters capacity will become your favorite kitchen helper as home as at the country house. It easily replaces a full oven and you can please yourself and your loved ones with delicious home baking, aromatic meat with herbs or appetizing chicken on a spit. You will always be able to observe the cooking process thanks to an automatic backlight. Timer with a sound will always signal when cooking is completed, and automatic turn off function won't allow the dish to burn if you are occupied at the moment. Set includes a grid, enameled pan, round pizza pan, spit, tray for crumbs and grease, and also convenient handles for the spit and for the pan to remove prepared food from the oven.
