Mini-oven **MO2610**

bon appétit

FULL PALETTE OF FLAVORS

Classic mini-oven OURSSON MO2610 with 26 liters capacity is optimal in functionality and accessories, simple in control, takes up little space, can easily cope with the preparation of any dish, from juicy meat on the spit to crispy toasts on the grid. Timer allows to set time, after which the oven will automatically turn off and you will hear a sound signal. The device is convenient in operation and maintenance, it has an inner non-stick coating and a special tray for crumbs and grease.

Besides a standard set: grid, pan, spit and two handles for it, the set includes also a fish basket, that is fastened into the spit's openings.
