## FULL PALETTE OF FLAVORS

Yogurt maker FE1502D from OURSSON with five unique ceramic 200 ml. capacity jars for the preparation of natural, home, healthy yogurt will bring joy to you and your family! Thanks to a highly durable ceramics, which distributes and stores well, both heat and cold, as well as a lid with a silicone seal ring that seals and securely closes jars, Yogurt maker is ideal for cooking and storing healthy dairy products. In addition, it is worth to mention that the device has a cooking time indication on the display, countdown timer and a sound signal at the end of cooking.
