Refrigerator **RF1005**

bon appétit

**FULL
PALETTE
OF FLAVORS**

Bright, stylish, compact refrigerator RF1005 with 103 liters capacity allows to store fruit, vegetables, herbs, drinks and much more. It is perfect for a cozy little kitchen, small rooms, offices, villas, as well as an additional refrigerator, for example, for drinks. There are glass shelves, a shelf with bottle holder, compartment for eggs, a box for vegetables, and the top of the fridge has a zero camera - a zone for preserving freshness at zero degrees. If you need to put into refrigerator something big, shelves can be removed. Energy efficiency class A +, allows the economical use of electricity.
